# Presidents Report: by Sean

I don't want to alarm anyone but it's almost halfway through the year !

Don't miss the write up's in this newsletter of some great events that have happened last month, including High Tea, Copper Coast Cavalcade and upcoming Bocce.

If anyone has missed the news, the Committee has been looking into the future in relation to our meeting place for general club meetings.

The main points were a central location for everyone and something modern with meal facilities. Public Officer Peter has been busy on the task for a while and has come up with the perfect place. The brand new Torrensville Bowling Club 'Riverdome' just south of Hindmarsh and west of the old West End Brewery. This is a brand new multi million dollar facility that we can use for a small fee and about as central as it gets (outside the CBD). By the time you read this the 'come and see day' has been done.

Standby for further information as we may need to change the meeting night to fit in with our hosts.

The committee also suddenly lost their committee meeting location, but Lynda and Pete have quickly sorted that one out and it looks like a new venue (also more central) has been sourced.

Another looming club issue (beside our tax liability issue) is the use of photographs in our newsletter and Facebook group. Can I please ask members when supplying photos for the newsletter or posting on social media, that they be mindful of the issue of copyright. Preferably use images taken by our own members, or photos/images gladly supplied to us by the person who took/created them with their consent.

President Sean.

The First Lady had an epiphany.... Why don't the Ladies attend High Tea, drink Cocktails and the boys drive home...  
Seats were very quickly taken up with 10 ladies rocking up to The Intercontinental on Saturday 3rd of May.

Pre High Tea Drinks started at the Bar with numerous Cocktail of the Day 's being purchased.

We were then shown to our seats and the complimentary Sparking poured, followed up by more cocktails....  
Assortment of goodies arrived with each of us getting a tower, filled with food.  
Didn't look like much, but by the time you finished, if you could, you were full!

Since it was a lovely, warm day, we then proceeded to sit outside in the fresh air where we solved the worlds problems and of course, more cocktails were consumed. Hey, we were keeping the bar staff occupied and helping the economy...!

Whilst the Ladies wined and dined, 6 blokes went 9 holes at Holey Moley.  
Rob Butler won the mini golf by 1 stroke ahead of Sean and Andrew Harris.

Thanks to all!

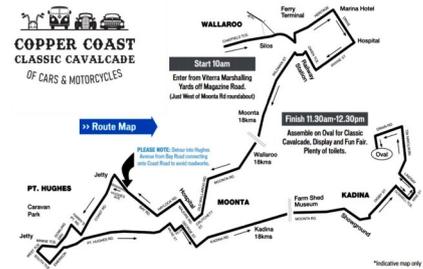

# COPPER COAST CORNISH FESTIVAL

*Celebrating 50 years*

woman • Mounds • Wallaroo

This event is held every 2 years and starts at Wallaroo, goes down to Moonta and finishes at the Kadina oval. It attracts over 500 vehicles of all makes and ages (cars and people). I have attended every run since I bought my vette late 2010, so my 1st run was in 2011. Now it's such a good days outing that I like to share, so I get a gathering of club members to tag along with me.

This year there were 6 of us brave vetters. We met at the ungodly hour of 6:30am at the OTR at Bolivar. The reason it's such an early meet is because I don't like to be at the tail end of the run, been there, no fun.... It was brisk and a bit nippy in the car park, but once we left at 6:45, those with working heaters were toasty, the rest of us just rugged up. Uneventful run over except for the 3 speed cameras set up the other side of Port Wakefield, to take holiday snaps, guess that's why it's called the "copper coast".

We arrived just before 8:30, paid our entry fee and joined the queue. (see photo, we were in the 5th row near the front, photo was taken after the 1st couple of rows had started moving off). Then it's just follow the leader, like driving thru a xmas pageant, waving, revving the motor and honking the horns when the kids hold up the signs along the way.

There's plenty of classics parked along the side of the road just watching, people having BBQ, champagne n beer flowing, and this just after the 10am start. There's a couple of nursing homes along the route, and the staff sit / wheel the elderly out to the footpath to watch. I think Steve was trying to scare, start their hearts with his horn blowing. Did I mention there's 1000's of people lining the route, including a camper bus with Graham, Debbie and mum. Also spotted were Mick and Paula, who live over that way.

Upon arriving at the Kadina oval we were shown where to park in the sea of cars. Out came the deck chairs, Cornish pasties were eaten and couple of drinks, drunk. There's also art n craft stalls and other food vans to indulge in. Banter included, 'did you see that certain car/what was that car/how it that thing allowed on the road' etc. The oval is open the public, so lots of people walking around commenting on the cars, asking questions, photos with the kids etc.

We said our goodbyes at 2pm and headed home. Unfortunately 2 Vettes had minor problems on the trip, no names, but you'll hear their stories at some stage.

I would like thank Peter n Lynda, Graham n Joy, Bruce n Chris, Peter n Chris and Steve for tagging along with me.

I was going with or without you, but it's more fun with a group of friends.

See you in May 2027 for the next run.

Alan

# Mid Week Lunch

## THE LOCKLEYS

### **Time to try something different!**

So how about a midweek lunch at the Lockleys Hotel, Henley Beach Rd at Fulham. They offer a Seniors menu which includes a free drink with the meal. The meals are great Goof & I eat there before our monthly meeting.

**12:30 pm Wednesday the 23rd of July**

Contact Neil at 0407 726 546 or  
ncbailey1@dodo.com.au to reserve your spot.

### **Something to please keep in mind**

**We kindly ask that if you plan on attending a club run or dinner, it is important that the organiser is informed beforehand on who is coming.**

**When members turn up on the day without doing this, it often causes an issue with seating and potentially catering. Be sure to always notify us of your planned attendance.**

## ***2026 Corvette Nationals - Noosa Heads***

***Event dates Friday 20<sup>th</sup> to  
Monday 23<sup>rd</sup> March 2026***

### ***Proposed Road Trip***

For those of you who are giving consideration to attending this special annual event the following is being considered and with **your advanced input, to me by 30<sup>th</sup> November 2025 for the overnight travel arrangements** to ensure appropriate bookings can be made.

For the full National program put together by the Queensland Corvette Club refer to their document included in this newsletter and on our club web site.

As mentioned in the last club Newsletter there will be three overnight stops on the way to the event with the option to either leave –

- On the Monday 16<sup>th</sup> to arrive Thursday 19<sup>th</sup>. This gives a brief break before the busy week-end.  
From previous experience this is the preferred time manageable way.
- Or on the Tuesday 17<sup>th</sup> to arrive Friday 20<sup>th</sup> and on that day also pick up your entry bag and Corvette preparation.

To travel as a group, particularly on a long trip as this, does not only give support to each other but is a great social event to share stories along the way.

The overnight stops are Hay 655kms, 7hrs. Coonabarabran 676kms, 7hrs. Warwick to Noosa 298kms, 4hrs.

These distances take into consideration comfortable travelling times as well as for the older Corvettes which do not have the same creature comfort as those younger.

Once I have your thoughts I will make the appropriate motel bookings for the type of accommodation required and you pay the establishment on check out.

As a guide an overnight stop is approximately \$180 but this will vary dependent on the establishment and how many rooms are booked.

To keep costs down and in addition of reviewing the accommodation prices at the Nationals, I have booked alternative accommodation, only two rooms left, at a motel at \$242 a night and 1.5kms away from where the Nationals are being held.

**If interested to take advantage of this alternative accommodation I need your reply ASAP.**

For your return trip home, it will be up to you to make your own arrangements.

Contact me either by phone 0428394710 or [dellter@adam.com.au](mailto:dellter@adam.com.au).

# 36th Corvette Nationals

## SUNSHINE COAST AUSTRALIA 2026

The Corvette Nationals is a premier event that brings together passionate enthusiasts of the iconic American sports car, the Corvette. This year marks the 36th edition of the Nationals, and it promises to be bigger and better than ever. 'Get Your Kicks in 26' is proudly hosted by the Queensland Corvette Club Inc. and with our valued Sponsors we will be in a stunning location on the Sunshine Coast, the 4-day event is scheduled to take place 2 weeks before Easter.

### THE VENUE: SUNSHINE COAST

Nestled in the stunning region of Queensland, Australia, the Sunshine Coast provides an idyllic backdrop for the Corvette Nationals. Known for its beautiful beaches, lush hinterlands, and vibrant communities, the Sunshine Coast offers a perfect blend of relaxation and excitement. Attendees can expect to enjoy the scenic beauty of the area while reveling in the festivities of the event.

### THE CARS: CORVETTES GALORE

At the heart of the Sunshine Coast Corvette Nationals are, of course, the Corvettes. From classic models to the latest high-performance editions, the event will showcase a dazzling array of these beautiful machines. Attendees and the public will have the opportunity to see some of the rarest and most exquisite Corvettes in existence, each with their own story and history.

#### Classic Corvettes

For many, the classic Corvettes are the true stars of the show. These vehicles, often lovingly restored, represent the rich heritage of the brand. From the sleek curves of the 1953 C1 to the powerful lines of the 1963 C2 and 1968 C3, classic Corvettes will be on display, offering a nostalgic journey through automotive history.

#### Modern Marvels

While the classics draw admiration, the modern Corvettes C4, C5, C6, and C7 will leave attendees in awe of the advancements in technology and design. The latest model, such as the C8 with its mid-engine configuration and cutting-edge features, demonstrates how the Corvette continues to evolve while staying true to its performance roots.

### ACTIVITIES AND HIGHLIGHTS:

The Sunshine Coast Corvette Nationals is more than just a Corvette show. It is a bona fide 4-day celebration with a variety of activities and highlights designed to entertain and engage everyone.

#### Saturday: Corvette Show and Shine

The Show and Shine competition will be one of the event's main attractions for our sponsors & the public, where owners can display their meticulously maintained Corvettes. Judges will evaluate the cars on various criteria, including originality, condition, and overall presentation. It's a chance for owners to showcase their pride and joy and for spectators to admire these stunning vehicles up close.

#### Sunday: Driving Tours

What better way to enjoy the Sunshine Coast than from behind the wheel of a Corvette? Organised driving tours will take participants on some of the most scenic routes in the region. These tours offer a unique opportunity to experience the thrill of driving a Corvette while taking in the breathtaking landscapes of the Sunshine Coast.

## Social Events

The social aspect of the Corvette Nationals is just as important as the cars themselves. Entrants & their partners will have numerous opportunities to connect with fellow enthusiasts through various social events, including a Welcome Party/Meet & Greet following Friday's registration, Saturday night's Dinner, Sunday lunch, the night's Gala Dinner and Monday morning's hearty breakfast to say your goodbyes and make your safe journey home. These events foster a sense of community and camaraderie among Corvette lovers.

## Trophies and Awards

One of the main attractions of the Corvette Nationals is the Show and Shine Day where owners can showcase their prized Vettes. Categories will include Best in Show, Best Restoration, and People's Choice among many other C1 to C8 categories. The awards ceremony at the Gala Dinner will celebrate the dedication and craftsmanship of Corvette owners.

## Vendor Exhibits / Our Sponsors

An array of vendors & our sponsors which we greatly appreciate will be present at the Show and Shine Day. Attendees & the public can browse and purchase items to enhance their Corvette experience or simply enjoy the diverse offerings available.

## Our Charities

Charities play a crucial role in addressing societal challenges, providing support to those in need, and fostering a sense of community. Two remarkable charities that QCC proudly support have made significant impacts in Australia are Camp Quality and Rosies. Both organisations, though different in their focus, share a common goal: to bring hope, joy, and comfort to individuals facing adversity.

## Accommodation

The Sunshine Coast offers a variety of accommodation options to suit all preferences and budgets. We are currently in discussions with a venue to suit the needs of the Nationals. It will be advisable to book early as the event is expected to attract all our Corvette Clubs Australia wide & non-Club Corvette Owners.

## Registration

Registrations for the 2026 Corvette Nationals will be available online from April 2025. Early registration is recommended to secure a spot and take advantage of any early bird discounts.

## GET YOUR KICKS IN 26

The Sunshine Coast 36<sup>th</sup> Corvette Nationals in 2026 promises to be a shining celebration of performance, style, and community. Whether you are a long-time Corvette enthusiast or a newcomer to the world of these iconic cars, the event offers something for everyone. Mark your calendars and prepare to be part of an unforgettable experience that celebrates the legacy and future of the Corvette.
